NH House Moves to Table HB1757

On Thursday, the NH House moved to table [HB1757: Relative to the reduction in the calculation of state retirement system annuities at age 65](#).

- There was no discussion or dialogue before this motion was passed and there was no explanation given as to why this was the chosen motion.
 - It passed on a voice vote.
 - This is extremely disappointing given the bipartisan effort it took to pass the bill out of committee with a vote of 15-4.
 - Unless a motion is made next week to take this bill off the table, it will be defeated without action.
